

**Cancellation Policy:**

Late cancellations are a disappointment for everyone- for you, for me, and for the clients who are trying to get in for a session sooner versus later. Please understand that a missed session or a cancellation with less than 24 hours notice will be charged at the full rate of the session.

Additionally, it's important that sessions begin and end on time. Should you be late for session, please understand that we will still end on time and you will be charged the full session rate.

Honestly, there is usually never an issue and I appreciate you so very much for that.

I understand the cancellation policy:
